Healthcare is a Human Right

Join the Nonviolent Medicaid Army!

- Are you unable to get the healthcare you need?
- Does your family depend on Medicaid / Green Mountain Care or Dr. Dynasaur?
- Do you rely on Medicaid to live independently?

The Nonviolent Medicaid Army fights to hold power holders accountable for our health and dignity.

We're tired of rising healthcare costs and jumping through hoops to get the care we need.

We're a growing force for everyday people to unite, build our power and claim our human rights.

Join the Nonviolent Medicaid Army today and take action with the Vermont Workers' Center to put Wall Street and the powers-that-be on notice!
